to whom it may concern i am a otr truck driver an rely a great deal on my xm
to give me instant weather and traffic updates to deliver freight to
its destination on time without costly delays and time sitting
traffic and wasteing fuel idling when i know ahead of time i can
plan accorrdingly and give state officals a break to get back on
their jobs doing what they need to do.

(PS PLEASE LEAVE MY XM ALONE I PAY FOR MY
SUBSCRIPTION AND WANT IT AS IT IS

THANK YOU
